for the 2026 Admission Session

Reference Documents

This methodology is based on the legislation in force at the time of issue:

- a. Higher Education Law no. 199/04.07.2023, as subsequently amended and supplemented.
- b. Methodology for the recognition and equivalence of pre-university study documents obtained abroad and from education providers operating in Romania under the curriculum of another state, approved by Order of the Minister of Education (OME) no. 4620 of 6 June 2024.
- c. OMEN no. 3473/17.03.2017 regarding the approval of the Methodology for admission to studies and schooling of foreign citizens starting with the 2017–2018 academic year.
- d. Methodology for admission to studies and schooling of foreign citizens, amended by OME no. 4151 of 24 April 2020.
- e. Methodology for the recognition of study periods completed abroad, approved by OME no. 3223 of 8 February 2012.
- f. Methodology for the schooling of Romanians residing abroad in Romanian state higher education institutions, on study places without tuition fees but with scholarship, respectively without tuition fees and without scholarship, starting with the 2017–2018 academic year, OM no. 3900 of 16 May 2017.

1. Purpose

1.1 The purpose of this methodology is to describe the organization and conduct of the process of equivalence of grades and study results obtained by admission candidates who completed their pre-university or undergraduate studies in foreign educational systems.

1.2 This methodology supplements the Regulations regarding the organization and conduct of admission competitions for undergraduate and master's university studies at the Technical University of Cluj-Napoca for the academic year of 2026–2027.

2. Categories Benefiting from this Methodology

2.1 The persons benefiting from this methodology are Romanian and international candidates: (a) who completed pre-university or undergraduate studies in foreign education systems; and (b) candidates graduating from educational institutions operating in Romania following the curriculum of another state.

3. Procedure for Equivalence

3.1 The equivalence of grades and study results obtained in foreign education systems is carried out by the Grade Equivalence Commission (CES).

3.2 The equivalence is carried out based on the application file, which must include the recognition/equivalence certificate or statement issued by CNRED.

3.3 For the equivalence of study results or grades of high school graduates, the candidate must include in the application file (electronic format) the Bacalaureate Diploma or equivalent diploma

containing the final average grade/result of the Bacculaureate examination (or equivalent) and the grades obtained in the examination subjects.

3.4 For current-year high school graduates, official certificates replacing the diploma and containing the Bacculaureate results to be included in the future diploma may be accepted.

3.5 The calculation of the average grade and other grades is carried out by converting the grading system used in the candidate's diploma into the Romanian grading system.

3.6 For the calculation of the undergraduate admission average grade, CES converts averages and grades obtained abroad in the Bacculaureate examination or equivalent, according to Annex 1 of this methodology.

3.7 In the case of candidates who obtained a diploma equivalent to the Bacculaureate without taking an equivalent examination, the converted average grade (based on the CNRED recognition certificate/statement) shall be the minimum Romanian Bacculaureate passing average, namely 6 (six).

3.8 For tie-breaking criteria, if the candidate does not have results for the equivalent Bacculaureate examination subjects, the converted grade shall be the minimum Romanian passing grade, namely 5 (five).

3.9 For the calculation of the Master's admission average grade, CES converts averages and grades obtained abroad according to the Equivalence Grid included in the Methodology for the Recognition of Study Periods Completed Abroad (OME no. 3223/8.02.2012), as amended and supplemented (Annex 2).

4. Final Provisions

4.1 The equivalence of average grades and other grades for refugee candidates with insufficiently documented qualifications shall be carried out in accordance with the specific legal provisions in force at the time of registration.
